

**REMARKS**

Claims 1-26 were subject to a restriction requirement. Applicants' attorney provisionally elects claims 1-9 (Invention I) for examination and requests withdrawal of the restriction requirement. Applicants' attorney submits that claims 1-26 are so inextricably related to one another that a thorough search of the subject matter of claims 1-9 will require a search of the subject matter of all of the claims as originally filed. In substance, the restriction requirement is nonsense and the Examiner's time would be better spent conducting a search of the prior art and examination of the application.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "David B. Smith". The signature is fluid and cursive, with the first name "David" being more prominent than the last name "Smith".
